Dear CAI Austin Member,

We are pleased to present our 2022 Sponsorship and Advertising opportunities. They are designed to provide your company/firm with increased visibility and exposure so that you may reach your business goals of increasing your networking and client base within CAI.

The 2021 Board of Directors has approved the following sponsorship packages for the 2022 calendar year. All sponsorship opportunities are on a first-come, first-serve basis. Sustaining Partner sponsor packages are to be reserved and committed to and will be due and payable no later than January 31, 2022. (Exception: terms option offered with Diamond & Platinum Sponsorship)

Signing up for any Sustaining Partner package is a binding commitment, and you will be bound to payment of same.

Should you need special payment arrangements, please contact the Chapter Executive Director and make those arrangements directly with the Chapter Office.

Purchasing a sponsorship package holds your space for events and advertising but does not register you for an event. You must register for each attendee for each Chapter event accordingly. Also, there may be additional sponsorship opportunities that come up during the year, so please stay connected.

Your sponsorship money allows our Chapter to operate and continue to provide educational and social opportunities for our current members, while reaching new members and educating the public on issues involving community associations. Your participation and continued support are greatly appreciated! We look forward to a great 2022!

Due to the overwhelming support of CAI and the Austin Chapter by our members, these opportunities are only available to the members of the Austin Chapter of CAI.

If you have received this brochure and are not a member, please contact us about joining our chapter. We encourage all of our business and management company partners to utilize and take advantage of the resources that our national and local chapters of CAI have to offer.
