

# 2023 SPONSORSHIP & ADVERTISING OPPORTUNITIES

Dear CAI Austin Member,

We are pleased to present our 2023 Sponsorship and Advertising opportunities. They are designed to provide your organization with increased visibility and exposure so that you may reach your business goals of increasing your networking and client base within CAI.

Our 2023 opportunities include both complete packages as well as À la carte opportunities. This will allow companies with smaller budgets to be actively involved with Chapter events. All sponsorships (package, or À la carte) are on a first-come, first-serve basis. Annual sponsor packages are to be reserved and committed to no later than December 31, 2022 and will be due and payable no later than January 31, 2023.

**We are please to announce that all 2023 Sustaining Partner Sponsorships have been reduced by 15% from 2022 sponsorship fees.**

Any À la carte sponsorships that are not immediately sold will remain available and advertised by the Chapter prior to the specific event. Upon committing to that event, you will be invoiced immediately, and payment will be due immediately.

Signing up for any package or À la carte event is a binding commitment, and you will be bound to payment of same.

Should you need special payment arrangements, please contact the Chapter Executive Director and make those arrangements directly with the Chapter Office. Any unused credits will expire on December 31, 2023.

Purchasing a sponsorship package holds your space for events and advertising but does not register you for each event. You must register and pay for each attendee for each event accordingly. Also, there may be additional sponsorship opportunities that come up during the year, so please stay connected.

Your sponsorship money allows our Chapter to operate and continue to provide educational and social opportunities for our current members, while reaching new members and educating the public on issues involving community associations. Your participation and continued support are greatly appreciated! We look forward to a fantastic 2023!

## WHY AUSTIN CHAPTER

CAI Austin implements education forums and initiatives that support our mission of building better, stronger communities by being the leading resource for community associations in the greater Austin area and the Community Leaders, Homeowners, Managers and Business Professionals who serve them.

Your support and investment in CAI Austin not only grants your organization valuable advertising and visibility to management professionals and community leaders, it also shows your commitment to continued education in the community association management field, and helps to make our events and publications possible.
